MEMORANDUM FOR: Deputy Director for Operations  
FROM : Executive Assistant to the DDCI  
SUBJECT : Meeting with the Deputy Assistant to the President  
for National Security Affairs, 1 September 1982

During the DDCI's 1 September meeting with the Deputy Assistant to the President for National Security Affairs, McFarlane suggested that it would be useful to have emigres interviewed on VOA to relate their first-hand experiences regarding life in the Soviet Union, their views of the pipeline, etc. Would you please see if you could find some who might be willing to do this?
